

PREMIER ORTHOPEDIC CARE WITH CONVENIENT WALK-IN APPOINTMENTS

Midwest Orthopedic Specialty Hospital is proud to operate a clinic in the heart of the Ballpark Commons in Franklin. Part of a health and wellness district that includes a professional baseball stadium, a hotel, indoor turf training facility, YMCA, retail stores, restaurants, and residences, the clinic joins a community that focuses on active and healthy lifestyles.

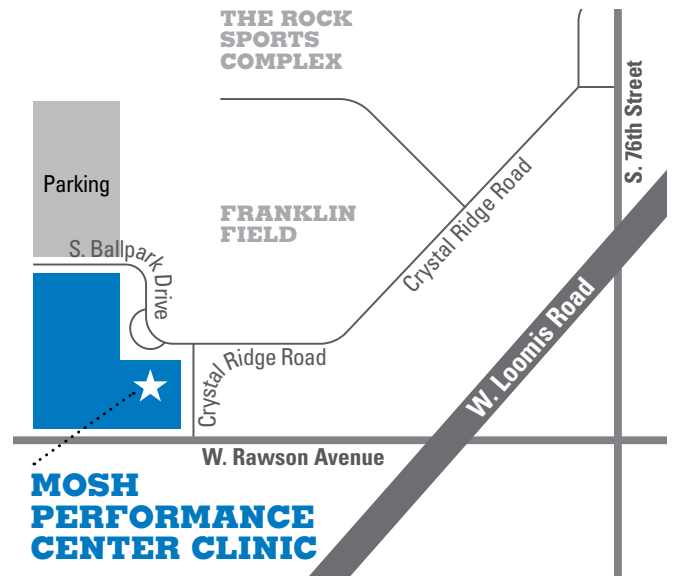

MOSH physicians and staff put patient experience at the foundation of everything we do—so whether you are an elite athlete or just want to keep your active lifestyle, we're here for you.

WALK-IN CONDITIONS & INJURIES WE TREAT

- Aches and pains
- Upper extremity bone and joint injuries
- Lower extremity bone and joint injuries
- Shoulder pain and injuries
- Hip pain and injuries
- Minor or chronic back pain
- Minor lacerations and/or abrasions

Conditions and injuries we do not treat at the walk-in clinic include head injuries, spine injuries, neck injuries, acute back injuries, large lacerations, or anything non-musculoskeletal.
