## WALK-IN ACCESS TO A COMPREHENSIVE CONTINUUM OF ORTHOPEDIC CARE.

At Midwest Orthopedic Specialty Hospital, we're committed to always putting our patients first. This pledge is why we have eliminated the need to wait for an appointment. Our two conveniently located MOSH Ortho Walk-In Clinics offer immediate access to our team of Orthopedic Specialists.

Each location offers convenient walk-in appointments for a variety of orthopedic conditions and injuries. Whether you are an elite athlete, a weekend warrior or just wanting to stay active, we can get your injury diagnosed and treatment started without delay.

To get the most out of an appointment, see the list of conditions, injuries, and other services available at each location. If an injury is life threatening, always go to the nearest emergency room, or call 911.

---

### WALK-IN CONDITIONS AND INJURIES TREATED:

- Aches and pains
- Upper extremity bone and joint injuries
- Lower extremity bone and joint injuries
- Shoulder and pelvis pain and injuries
- Minor or chronic back pain
- Minor lacerations and/or abrasions

### CONDITIONS AND INJURIES NOT TREATED:

- Head injuries
- Spine injuries
- Neck injuries
- Acute back injuries
- Large lacerations
- Anything non-musculoskeletal

Our walk-in clinics are aligned with Midwest Orthopedic Specialty Hospital, a top-ranked destination for orthopedic care and home to leading, fellowship trained orthopedic specialists in muscle, joint and bone care, and advanced surgical techniques. MOSH was founded by the Physician owners and Ascension Wisconsin with one goal in mind: To create the best patient experience possible. Providing direct access through Ortho Walk-In Clinics is one more way we live up to that standard.
