

## **Adaptive Equipment for Posterior Hip Surgery**

Due to **posterior hip precautions** you will need to purchase the following items to safely dress and bathe after surgery

Your occupational therapist will teach you how to use this equipment to maintain your hip precautions.

The following items are recommended and should be purchased prior to surgery:

- Sock Aid
- Standard Reacher
- Long handle shoehorn
- Long Handled Bath Sponge

**To schedule an appointment for Physical Therapy at a MOSH physical therapy location please call: 833-712-3254.**
